

India Ink Project

For this project, you will be using nibs (pen and ink) and brushes to apply india ink to a wet media paper. Your teacher will give you options for different paper sizes to choose from. You will be creating tonality/value and form by applying different concentrations of india ink with a brush. You will also accentuate your illustration with pen and ink to add texture and line. The subject matter will be of your choosing!

	<i>1</i>	<i>2</i>	<i>3</i>	<i>4</i>
<i>Fountain pen (creative use for line and texture) Weight: 2.0</i>	<i>Does not approach expectation/ little or no effort exhibited</i>	<i>Approaches expectations</i>	<i>Meets expectations</i>	<i>Exceeds expectations</i>
<i>Washes (Multiple washes to show tonality/form) Weight: 2.0</i>	<i>Does not approach expectation/ little or no effort exhibited</i>	<i>Approaches expectations</i>	<i>Meets expectations</i>	<i>Exceeds expectations</i>
<i>Composition (Time and thought has been put into the piece) Weight: 2.0</i>	<i>Does not approach expectation/ little or no effort exhibited</i>	<i>Approaches expectations</i>	<i>Meets expectations</i>	<i>Exceeds expectations</i>
