

A Voyage to The Moon

TMDB Questions

Please answer the following questions when you are writing your review for “La Voyage de la Lune.”
Answer the questions indirectly in your review.

1. This film was a hit with audiences when it debuted. Good films capture the **Zeitgeist** (Spirit of a time, or era) and are popular with audiences. What was the “Spirit of the Time” that this film captured?
2. Why is this film still shown to film classes around the world? Why is it almost required watching?
3. Did you enjoy the film? Why or why not? Consider that you are looking at this film 110 years after it was created.
4. Is this a timeless film?
