

## Mini Project #2

*(Working individually)*

### **Favorite Color**

## Mini Project #2

- Pick your favorite color
- Set camera to the lowest aperture possible
- Take 6 SEPARATE photos of this color

- *Do not make your 6 photos all of the same topic (ex. green using all plants).*
- Make sure the color is dominant in the photo
- Make sure to light meter your subjects and use M mode on your camera

*Marks Out of 6.*
