

Day One

You will assign yourself a drawer. This will be yours until the end of the semester. You must put a name tag on this drawer

Remember these procedures for class:

- You may sit with your friends unless you disrupt other students learning, at which point you will lose that privilege
- When the second bell rings you are expected to be in your seat behind a table. No more than 3 students per table
- You do not need to ask permission to use the washroom, just let me know where you are going
- There will be no iPods in class
- There will be no cell phones used in class
- You will come to class with a pen and a notebook
- Occasionally you will be asked to keep notes in your notebook, or write down answers to questions on the board
- You are encouraged to ask questions in class
- Cameras may be borrowed only when a deposit such as an ipod or cell phone is left as a deposit
- You are responsible for the well being of any electronic goods that you borrow from me, and vice versa
- There is no food at the computer tables
- Clean up after yourself please!
