Video Project 1

Learning outcomes: Workflow, Electronic file organization, titles, introduction to Premiere Pro Workspace.

This project will have you introducing a member of the in a video format.

You may film with a borrowed camera, or use your phone.

You will be working in groups of 2 to film each other. You'll want to introduce each other and answer the following questions.
- Name
- Where they are from
- What their hobbies are
- Favourite 5 films
- What do they want to learn in this course (editing, filming, screenplays...etc.)

You may have a soundtrack, and you MUST incorporate titles. This video will help you incorporate titles.

It is up to you what format you choose for filming; you may want to have your film in an interview style, you may have it as a candid shot of a conversation between 2 people.
You may either hand in 1 or 2 films in a .mov, .mp4, or .avi format.
